

## Einweg-Mopp Mikrofaser CELOS

pure<sup>11</sup>-Nr.: 1110261, Marke: CELOS

### Eigenschaften

- Steril
- Marke: CELOS
- Breite in cm: 40 cm
- Art des Moppwischbezugs: Flachmopp
- Flächenleistung in m<sup>2</sup>: 20 m<sup>2</sup>
- Integrierte Borstenstreifen
- Gewicht in g: 50 g
- Gebrauch: Einweg
- Autoklavierbar
- Material: Mikrofaser
- Deckenreinigung
- Glasflächen
- Wandreinigung
- Anzahl in kleinster Unterverpackung: 5
- Kompatibel mit Clino Mopphalter
- Mikrofaser (Reinigungsfläche)

### Empfohlene

### Reinraumklassen

ISO 5|6|7|8|9

GMP A/B|C|D

### Material

- Mikrofaser

### Verpackung

- 100STK

## Produktvarianten

## Sterile Microfiber Mop Head CELOS®

### Product information:

|                     |                                                                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Material</i>     | Inside: 100 % polyester, nonwoven<br>Outside: cleanroom grade microfiber for improved particle adhesion, woven polyester                                             |
| <i>Process</i>      | Disposable mop cover, with bristles for enhanced removal of contamination<br>Pretreated for cleanrooms, processed and packed in a controlled environment, irradiated |
| <i>Properties</i>   | Ideal for daily cleaning and disinfection of cleanrooms and controlled environments, GMP A/B<br>Great absorptive capacity for disinfection and cleaning solutions    |
| <i>Basic weight</i> | 50 g (+/- 2 g)                                                                                                                                                       |
| <i>Color</i>        | White with grey edges                                                                                                                                                |

### Product:

| <i>Part number</i>                | <i>Style</i>                                                                                                       | <i>Size</i>    | <i>Inner packaging</i> | <i>Quantity per case</i> |
|-----------------------------------|--------------------------------------------------------------------------------------------------------------------|----------------|------------------------|--------------------------|
| <b>1110261</b>                    | Sterile                                                                                                            | 40.5 x 12.5 cm | 5 pcs/double Bag       | 20 bags/case             |
| <i>Parallel part number 10261</i> | <i>Please note: The packaging may show either of the parallel valid part numbers during the changeover period.</i> |                |                        |                          |

### Characteristics:

- Disposable
- Traceability with every batch
- Easy usage on all surfaces
- Improved structure and bristles for better cleaning performance
- Superior results for the removal of (disinfectant) residues
- Works with standard mop holders
- Ideal for saturation
- Suitable for floors, walls and ceilings
- Cleanroom production and packaging
- Gamma irradiated

### Performance parameter:

|                          | <i>Specification</i> | <i>Unit</i>       |
|--------------------------|----------------------|-------------------|
| Sorbency capacity        | > 200                | ml/m <sup>2</sup> |
| Sorbency                 | < 1                  | seconds           |
| Surface coverage         | 17 - 23              | m <sup>2</sup>    |
| Particles APC (≥ 0.5 µm) | < 15,000             | counts/pcs        |
| NVR (DIW)                | < 0.24               | mg/g              |
| NVR (IPA)                | < 0.32               | mg/g              |

Based on research and testing, pure<sup>11</sup> can recommend the usage of the cleanroom mop 1110261 in cleanrooms up to ISO 5 and GMP A/B areas, according to ISO 14644-1 and the respective Annex.
