TexWrite®

Cleanroom TexNotes

Products

Number	Description	Sterile	Packaging	Case
TX5820	TexWrite® TexNotes, Blue 3" x 4" (76 mm x 102 mm)		72 sheets / pad	10 pads / box

Description

TexWrite® self-adhesive sticky notes, TexNotes, are the best way to add notes to documents, reports, equipment and work surfaces with reduced risk of cleanroom environment contamination.

The handy TexWrite® sticky note sheets feature a proprietary adhesive strip. This low-contamination, polymeric adhesive allows TexNotes to be attached and removed without leaving the high residue associated with most adhesives.

The TexWrite® TexNotes substrate ensures low particle generation and low ionic contamination. TexNotes are cleanroom-packaged in 72-sheet pads and are double-bagged.

Applications

- Document annotation
- Equipment labeling
- Notes and reminders

Features & Benefits

- Blue TexWrite® 22 cleanroom bond with low particle, ions and fiber generation
- Proprietary adhesive leaves extremely low residue after the note is removed
- 72 sheets per pad, 3" x 4" (76 mm x 102 mm)
- Cleanroom-packaged and double-bagged, permitting alcohol wipe down of exterior packaging before introduction of the inner bag into cleanroom environments
- Autoclaving not recommended

Cleanroom Environment

- ISO Class 3 – 8
- Class 1 – 100,000
- EU Grade A – D
