

Klebefolienmatte L30-8, High Tack

pure[11]-Nr.: 1108020, Marke: Purus

Eigenschaften

- Marke: Purus
- Breite in cm: 66 cm
- Länge in cm: 114 cm
- Dicke/Stärke der Matte (in mm): 1,5 mm
- Anzahl Lagen: 30
- Abnehmende Indexnummerierung
- Material: Polyethylen
- Klebestärke: stark
- Farbe: Blau
- Farbe der einzelnen Klebefolien: Transparent
- antimikrobiell ausgerüstet

Empfohlene Reinraumklassen

PURUS EnviroTack™ Mats

A Revolutionary Step Forward

PURUS EnviroTack™ Mats are the first ever contamination control product containing renewable plant-based materials, providing an environmentally friendly alternative for socially responsible organizations.

For Cleanroom, Hospital, and Industrial Use

PURUS EnviroTack™ Mats remove and contain dirt and mats are available in 30 or 60-layer versions. Each layer of the mat is fully coated with a particle grabbing adhesive and constructed of low-density polyethylene film. A low-profile numbered tab indicates the number of remaining layers and ensures one-layer-at-a-time removal.

Earth Friendly*
Contains GMO free, renewable, plant based Cardia Biohybrid™ material that reduces C02 emissions.

Strong and Effective
Adhesive coated mats deliver the same reliable and high-end performance

No Cost Impact
Earth friendly without paying more.

Image Enhancer
Improves your corporate image by lowering your carbon footprint.

Full-Service and Support
Backed by Purus International's world-class service and customer support.

Recyclable**
Can be recycled in conventional plastic recycling streams.

Our Impact***

Based on Purus International's current annual production volume of approximately one million pounds, PURUS EnviroTack™ Mats will save 135 metric tons of C02 emissions, the equivalent of carbon sequestered by 160 acres of forests in one year.

* Life Cycle Assessment performed by the Centre for Design at RMIT University
** Recycling analysis performed by Smith RAPRA Technology
*** Environmental Ecosystem analysis performed by ExcelPlas
